

OP-920 PORTABLE LIVESTOCK

FEATURES

- Ideal for weighing hogs, sheep, goats and ponies
- Designed specifically for livestock animals moving around or in rugged conditions, meaning livestock can move freely while on the scale but measurements will still be accurate
- Painted steel construction
- Portable, with integrated carry handles and wheels
- Tread plated surface for added grip
- Built-in ramps for easy access
- Adjustable rubber feet, with top access
- Indicator with large LCD display and rechargeable battery
- 20' long sturdy metal shielded cable
- Weatherproof option available
